Long Island Foundation For

TOWN OF ISLIP AND THE LONG ISLAND FOUNDATION FOR EDUCATION & SPORTS TENNIS ACADEMY

SUMMER & FALL YOUTH TENNIS PROGRAMS

Enjoy our lesson and play tennis programs with high performance coaches & staff. LIFVES is an organization of community based tennis programs dedicated to introducing all children to this lifetime sport! Our mission is to empower all children with an instructional and play based tennis program.

Our programs follow the same logic as other youth sports like baseball or soccer, which use kid-sized courts and kid-sized equipment. Kids learn to play baseball by first playing T-ball; they use shorter, lighter bats and larger, softer balls. Kids play soccer on smaller fields with smaller goals. Now with 10 and Under Tennis, balls bounce lower, don't move as fast through the air and are easier to hit. Kid's tennis racquets are sized for small hands and courts are smaller and easier to cover. By using this format, the benefits are immediate and within a short time kids are rallying, playing, and excited to keep playing. That means kids will have more fun and less frustration. They're playing real tennis and having real fun-and that's what is most important.

INSTRUCTIONAL BASED PROGRAM INFORMATION

First Servers Division - Ages 4 - 7

Our goal is to develop hand-eye coordination with simple athletic drills and games that are fun! Now any child can start playing tennis almost immediately-even if he or she never picked up a racquet before.

Deuces Division - Ages 8 - 10

Deuces Division will take children to the next level by improving technique and developing better footwork. Children are divided by ability and provided basic instruction with skill based activities.

Smashers Division - Ages 11 - 14

Our focus is on tennis fundamentals which includes forehand & backhand strokes, and volleys. Children start learning about the rules of the game and basic competitive strategies.

PLAY BASED PROGRAM INFORMATION

Aces - Ages 5 - 10

For children who will further work on strokes, footwork with live ball drills and begin to play matches.

Middle School - Ages 11 - 13

This program is designed to prepare players for school tennis team that are on a middle school or varsity team or looking to try for their school team.

Varsity - Ages 14 - 16

This program is designed to prepare players for varsity teams. This level is ideal for players who want to improve on stroke production and strategy. Players compete at this level in order to prepare for their season.

TODDLER TIME...A TRANSITIONAL CLASS (PARENT & CHILD PROGRAM)

This program is designed to help parent & child navigate the transition from being at home with parents to pre-school, reducing separation anxiety in a safe fun-filled environment. Classes begin with creative parent & child activities that will stimulate your child's gross/fine motor skills (i.e.: arts & crafts, music and games). This will be followed by instructors leading children in constructive playtime separate from their parents. Build on your toddler's emerging skills, make new "Parent" friends and leave the mess to us. This class is perfect for parents planning to enroll their child in a Town of Islip pre-school program. Snack provided for children, but please bring a spill proof drink for your child.

*Parents must remain at the Recreation Center for the entirety of the program.

Age: 2 – 3 ½ years

Soon it becomes clear that Jerry's friends—Adam, a Jewish American composer, and Henri, a Parisian aristocrat—also vie for Lise's love.
